

LOCAL SUPPORT HELPS ADVISER TO BE RATED IN THE UK'S TOP 200

Carmarthen based Independent Financial Adviser, Heddwyn James, has been voted as one of the top 200 Rated Independent Financial Advisers (IFAs) in the UK by his clients.

Heddwyn, based in Carmarthen has been an adviser for 28 years and started Arian Financial Planning 3 years ago after Barclays discontinued their financial planning arm. He has been determined to offer his services to everyone rather than the super-rich.

His achievement was announced in The Times on Saturday 19th October.

Comments Heddwyn: "There are over 20,000 Independent Financial Advisers in the UK so I'm proud to be in the VouchedFor.co.uk Top 200. What makes it even more special is that I've been selected thanks to my clients. It means a lot that they've gone out of their way to support me and I'd like to thank them all."

Continues Heddwyn: "I'm passionate about independent financial advice and love what I do. While talking about how to look after your money isn't 'sexy' with a growing pension and savings gap planning your financial future is more important than ever. In a nutshell that's what financial advice is all about - making sure you make the most out of your hard earned cash and aren't left short of funds in retirement or on a rainy day."

Heddwyn was selected as a result of local clients reviewing and rating his services on consumer ratings website VouchedFor.co.uk. The site, which enables people looking for financial advice to find a recommended IFA, works like TripAdvisor.
